Who are Cloverbuds?

Cloverbuds are children who explore areas of healthy living, earth environment, citizenship, plants and animals, consumer skills, science and technology, personality development and expressive arts.

The primary goal of the 4-H Cloverbud Program is to promote children’s healthy development mentally, physically, socially and emotionally.

The 4-H Cloverbud Program provides an excellent opportunity for your child to reach his or her highest potential because early life experiences, even subtle ones, affect future development.

THE GOALS OF OHIO’s 4-H CLOVERBUD PROGRAM ARE FOR CHILDREN TO DEVELOP:

- Self-understanding skills (self-esteem)
- Social interaction skills (getting along with others)
- Decision making skills
- Learning skills (learning how to learn)
- Mastering physical skills

Children possessing these life skills are less likely to have problems with drug use, school failure, delinquency and depression later on in life.

4-H Pledge

I pledge:

- My HEAD to clearer thinking,
- My HEART to greater loyalty,
- My HANDS to larger service,
- My HEALTH to better living,
- For My Club, My Community, My Country and My World.
