The Standards of Behavior shall guide volunteer’s behavior during their involvement in Extension programs. Just as it is a privilege for Ohio State University to work with individuals who volunteer their time and energies to the organization, a volunteer’s involvement with OSUE is a privilege and a responsibility, not a right.

OSUE provides quality educational programs accessible to all Ohio citizens. The primary purpose of this Standard of Behavior is to ensure the safety and well-being of all Extension program participants (i.e., members, their parents and families, professionals, and volunteers). Volunteers are expected to function within the guidelines of OSUE and the individual program area (4-H, Agricultural & Natural Resources, Family & Consumer Sciences, and Community Development). Extension volunteers shall act with personal integrity.

- Accept supervision and support from professional Extension staff while involved in the program.
- Accept the responsibility to represent their individual county Extension program and The Ohio State University.
- Conduct themselves in a courteous and respectful manner, exhibit good sportsmanship, and provide positive role models for all youth.
- Respect, adhere to, and enforce the rules, policies, and guidelines established by their individual county Extension program and OSUE.
- Not engage in abusive behaviors that physically or verbally threaten or harm any Extension program participant, including youth.
- Not engage in any act prohibited by law.
- Comply with all civil rights laws and policies, including but not limited to OSUE equal opportunity, anti- discrimination laws, and program participant policy.
- Perform duties in a responsible and timely manner as outlined in the position description.
- Immediately report any threats to the volunteer’s emotional or physical well-being to the county Extension professional.
- Accept the responsibility to promote and support Extension programs in order to develop an effective county, state, and national program.
- Handle animals and operate machinery, vehicles, and other equipment in a responsible manner.

I understand and agree that as a volunteer:

- In accordance with Ohio State University policy, *Self-Disclosure of Criminal Convictions Policy 4.17*, I am required to self-disclose criminal convictions within three business days of the conviction.
- I will uphold and support the responsible and lawful use of social media. In so doing, I will not create or post social media content that is abusive, threatening, defamatory, obscene, harassing, or creates a hostile environment.
- I will report any child abuse, sexual abuse, or neglect in accordance with university policy
- I will not intentionally or purposefully place myself in a position alone with a member of a vulnerable population in a one-on-one situation, including, but not limited to sleeping quarters with participants.
- I will not, under any circumstances, physically, verbally, or emotionally abuse or fail to provide the basic necessities of care, such as food or shelter to participants.
- I will endeavor to provide a safe and healthy program/camp experience for all participants.
- My volunteer status is subject to immediate suspension or termination based on any act or omission that Extension determines to be contrary to any portion of these standards or otherwise in conflict with the goals of OSUE.

I have read, understand, and agree to be bound by the **VOLUNTEER STANDARDS OF BEHAVIOR** outlined above.

Obtaining Fingerprints

WebCheck

1. Identify a local agency/organization that has capability to conduct fingerprint checks using the webcheck system.
2. For a listing of current sites:
<http://www.ohioattorneygeneral.gov/Services/Business/WebCheck/Webcheck-Community-Listing>
3. Contact the administrator of the agency/agencies that have the capability to conduct webchecks to determine their ability/willingness to conduct checks for your program(s).
4. Set-up a time to meet in order for you to become familiar with the system and what will be required of potential volunteers when they go to that site for fingerprinting.
5. The cost necessary for BCI to perform the background checks is \$22.00 per transaction. Some agencies or vendors choose to charge additional fees over and above this required cost. Such fees may range from \$5.00 to \$40.00.
6. Discuss with the agency that has web check capabilities the process for paying for the background checks that they are processing for your program(s).
7. Be aware of appropriate times for individuals to go to the site to get the fingerprints done. Be sure that you communicate with the potential volunteers the appropriate location, times, costs, and what they will need to bring with them (i.e. Drivers License).
8. The organization conducting the background checks will not receive the results. All volunteer results go to a central location at Ohio State University Extension and individual counties will receive the appropriate information related to the background checks from there.
9. If you have additional questions about the webcheck system, please visit the following website: <http://www.ohioattorneygeneral.gov/About/FAQ/Background-Check-FAQs>
